EVERY DEACON IS YOUR DEACON!

We are blessed to have men and women who are willing, called and elected to meet the needs of our church family. As of last year, we no longer use the old Deacon Family Ministry Plan, where each deacon was assigned a percentage of the entire church congregation. Now, each deacon is responsible for meeting the needs of the entire congregation in general, and a just a few of our members in particular. If you have a need, please feel free to call on our Deacon of the Week or any of our deacons. They are here to help you. Every deacon is your deacon!

Put this on your calendar, and begin now to invite friends and neighbors to come!

VOLUNTEERS: MEALS ON WHEELS

More help is needed to deliver meals to shut-ins in the Fork Union Community, especially during the Summer. Fork Union has 13 deliveries to make each day; takes about an hour. Call B.J. Arritt if you can help out on a regular basic or on occasion @ 842-3510.

DEACON NOMINATIONS

The Bible says that Christians should first be tested before they are given the responsibility of being a deacon/servant of the church. In today’s language that means that we should prayerfully nominate church members who have a servant’s heart and have already proven themselves responsible by actively attending and serving our church in some capacity.
