“Above All”

Words and Music by Lenny LeBlanc & Paul Baloché

Above all powers above all kings
Above all nature and all created things.
Above all wisdom and all the ways of man
You were here before the world began.

Above all kingdoms above all thrones
Above all wonders the world has ever known.
Above all wealth and treasures of the earth
There's no way to measure what You're worth.

Chorus

Crucified and laid behind a stone
You lived to die, rejected and alone.
Like a rose trampled on the ground
You took the fall...and thought of me above all.

Repeat Chorus

Like a rose trampled on the ground,
You took the fall and thought of me above all.
